

THE LANDWORKERS' ALLIANCE

Tara Wight
17.07.23

WHO ARE WE?

A union of farmers, growers, foresters and other land-based workers with a mission to build a better food and farming system

OUR MEMBERSHIP

Our membership is at the forefront of innovation for sustainable agriculture

- Around 2500 members across UK
- Committed to principles of agroecology and food sovereignty

WHAT DO WE DO?

- Facilitate a supportive and connected network of farmers
- Extensive peer-to-peer training in sustainable practices
- Campaigning and advocacy work

THE AGRICULTURAL RESEARCH COLLABORATION

- Made up of five farmer-led organisations
- Facilitating collaboration between academic researchers and agroecological practitioners
- Annual conference and regular network updates

Information and mailing list sign up [here](#)

Upcoming webinars and workshops can be found [here](#)

FARM VISITS AND PRACTICAL WORKSHOPS

The best way to learn about agriculture is from farmers, on farm

- Farm walks with our members across the country
- Practical skill-sharing workshops
- Work placements

To arrange to visit our members farms, please contact:
tara.wight@landworkersalliance.org.uk

GUIDANCE FOR STUDENT RESEARCH

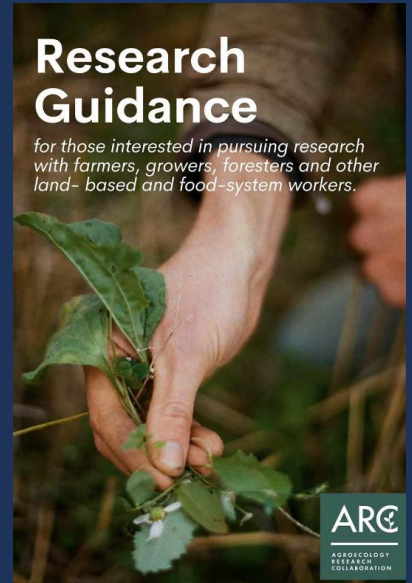

The Agroecology Research Collaboration offers support and guidance to research students at all levels

- [Research guidance booklet](#)
- Workshops with students
- One-to-one advice
- Potential for co-supervision

Research Guidance

for those interested in pursuing research with farmers, growers, foresters and other land-based and food-system workers.
